

# Charles D. Beck, Superintendent

## 1 SUPERINTENDENT'S MESSAGE

---

Welcome to Harney Educational Service District. At Harney ESD, we are proud to serve and support ten public school districts in Harney County, Oregon. We promote educational excellence by delivering essential, cooperative services to schools, early childhood programs and other community partners.

Our *commitments* include:

- Assisting schools and early childhood providers in preparing students for success.
- Maintaining strong, supportive, mutually beneficial relationships with schools and other partners.
- Providing quality service and value.
- Blending entrepreneurial imagination and public service spirit.

We take seriously the opportunity and responsibility we have to help schools, districts and early childhood programs serve the most valuable resource in our nation—our youth. It is the children of our region, and the educators who serve them, who are the reason for our existence and who inspire the quality of work and service that we strive to deliver.

We hope you will find our new website a valuable informational tool which provides a window to the outstanding staff of our ESD and the diverse and quality services we offer. We also hope that you will call, email, visit, *or invite us to visit you*. Again, we exist to serve and support the young people of our region, and the school and district educators who work directly with them.
