

CLASS NEWSLETTER ; MRS. LOVELADY

MARCH 12TH - 15TH

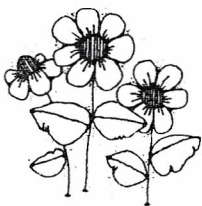

Yee Haw! For the next 2 weeks we are going down on the farm!

LETTER OF THE WEEK... T

Kindergarten readiness is extremely important. Many parents are unaware of how different kindergarten has become in the last several years. The expectations for incoming students has increased dramatically. To prepare your child for what lies ahead, remember to practice letter knowledge, count at every opportunity, have fun playing with sounds in language such as beginning, ending and middle word sounds, practice fine motor writing control, read, read, read AND help them to understand the importance of respectful listening and following directions. Don't wait...establish joyful learning opportunities now! Pick up and complete registration forms at Slater Elementary to enroll your child for the next school year.

Spring Vacation - March 26th - 30th
